Re: Public Records Request dated November 26, 2019  
PRR 19-117 – fatal and non-fatal injuries in warehousing and storage sector

Dear Sir/Madam,

On November 26, 2019 the State of Nevada, Department of Business and Industry, Division of Insurance (“Division”) received your public records request for several documents relating to fatal and non-fatal injuries in warehousing and storage sector.

The Division has reviewed its records for documents responsive to your request pursuant to Nevada Revised Statute (“NRS”) section 239.0107, in the above-referenced matter. No responsive records were found. The Nevada Industrial Relations (“DIR”) – Occupational Safety & Health Administration (“OSHA”) may have legal custody or control of the record you have requested.

You may contact OSHA as follows:

- Jess Lankford
